

LEGAL NOTICE

WEB SITE TERMS OF USE

Altura Markets S.V., S.A. ("Altura") offers information on its web site about the type of activity, products and services it offers.

(a) The information provided by Altura should be considered as an introduction by the user and should not be regarded as a deciding factor for decision making. The company does not accept any liability for the use made of it. In particular, it should be understood that the information, which is subject to current Spanish law, is not intended for users who act under other jurisdictions in countries that demand compliance with different requirements for the placement, disclosure and publicity of financial services and/or products. Altura does not provide investment consultancy services. As a result, none of the information contained in this web site should be interpreted as a recommendation regarding one or more transactions with financial instruments, nor does it aim to recommend, propose, advise or suggest an investment strategy for financial instruments or their issuers, nor is it presented as an objective or independent explanation for any financial instrument or issuer.

(b) Altura reserves the right to update, change or delete the information contained in *alturamarkets.com* and may also limit or block access to such information, without prior warning. In particular, Altura reserves the right to delete, limit or block access to its web site when technical difficulties arise due to events or circumstances outside Altura's control which, in its opinion, lower or override the standard security levels put in place for the appropriate functioning of the web site.

(c) Altura will never be liable for losses or damages of any kind caused by accessing and using the web site, including, but not limited to, those occurring in computer systems or those provoked by the introduction of computer viruses and/or cyber attacks. Altura will also not be liable for any damages which may be caused to users by improper use of the web site or, in any way whatsoever, for crashes, interruptions, lack of or defects in telecommunications.

(d) Altura is not liable for the veracity, integrity or updating of information which it has not prepared itself and where another source is indicated, nor is it liable for the content of other web sites which are provided to the user as alternative sources of information via hyperlink or link on *alturamarkets.com*. These will be governed by the terms and conditions of use which, for that purpose, are required by the owners of those web sites, for which reason Altura assumes absolutely no liability for hypothetical damages which may arise from the use of such information. The hyperlinks will never be considered to be recommendations, sponsorships or distribution by Altura of the information, products and/or services, or, in general, content owned by third parties and offered by them or disclosed by them in any way.

(e) Altura is not liable for possible discrepancies which, temporarily, may arise between the printed version of its documents and their electronic versions published on its web site.

(f) The whole of this web site, that is to say, its components (text, images, brands, logos, audio files, software files and colour combinations) and the structure, selection and order of its content, are protected by Intellectual and Industrial Property law and may not be exploited, reproduced, distributed, changed, publicly communicated, assigned or converted, or disseminated by any other method, unless expressly authorised.

Access to this web site does not give users any rights or ownership over the intellectual and/or industrial property rights of the content of this web site.

Altura reserves the right to take such legal action as it is entitled to against users who breach or infringe intellectual and/or industrial property rights.

PERSONAL DATA PROTECTION POLICY

Altura's web site at *alturamarkets.com* does not automatically recognise any data relating to the identity of site visitors. For client access services, for the purpose of ensuring information confidentiality, it is necessary for the system to have identified and authenticated the user by requesting passwords. All these data are treated with absolute confidentiality and are used for the purposes for which they were requested, within the framework of the Personal Data Protection Act and other similar legislation.
